Road Biz

Come see why Academy Road is one of Winnipeg's preferred shopping and service experiences by discovering what we have to offer you!

The businesses of Academy Road formed a Business Improvement Zone in 1995 to market the area as Winnipeg's preferred shopping and service experience, to sponsor events which would enhance the safe and family friendly character of the street, and to improve the physical appearance of Academy Road.

The BIZ also provides a voice in the political sphere on issues of concern to member businesses. The BIZ is working closely with the City of Winnipeg and other levels of government to ensure our maintenance needs are met and lobby for a major street enhancement program.

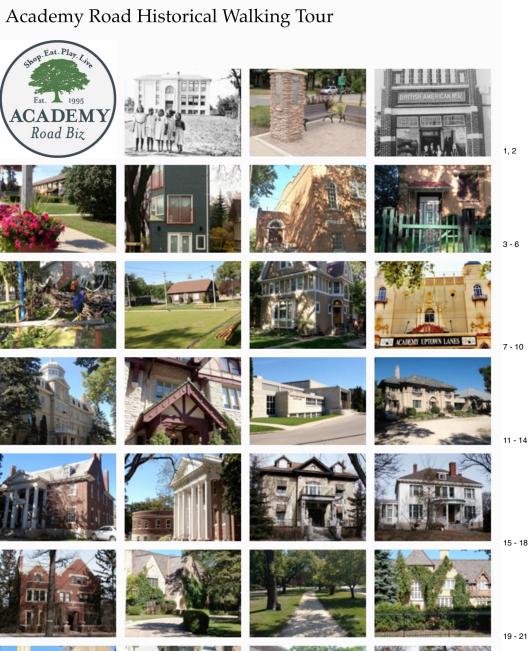

For several years, the BIZ has provided flowers and hired a student through the "Urban Green Team Program" to keep Academy Road free of trash, graffiti and weeds.

The BIZ is working to beautify and enhance the historical character of Academy Road and live up to our potential as a neighbourhood Main Street. At present, we are undertaking Phase 1 of the Academy Road Streetscape Revitalization strategy. Our goal is to make Academy Road greener, safer and more pedestrian friendly. Our Historical Walking Tour, a pocket park and a series of interpretive panels are just the beginning.

We are excited to be part of the best neighbourhood in Winnipeg. Our members work hard to offer the very best shops and services in the City. Don't forget to check out our website academyroadbiz.com and our Facebook, Twitter and Instagram.

Come see what makes Academy Road unique - Winnipeg's best place to Shop, Eat, Play and Live!
